

Feedback on the Course Today v060525

This is an anonymous questionnaire enabling students to express opinion about the Course **TODAY**.

Course Name: _____ **Location:** _____ **Date:** _____

Please indicate the extent or level of your agreement with the following statements.
Please tick a box under the number associated with the appropriate response in the scale below.

Strongly Agree 1	Agree 2	Uncertain 3	Disagree 4	Strongly Disagree 5	Can't say 6
---------------------	------------	----------------	---------------	------------------------	----------------

	1	2	3	4	5	6
Overall, today has been very worthwhile.						
The content today has been relevant to my reasons for doing the Course.						
I have enjoyed being part of the Course today.						
I felt that time was used productively and effectively.						
The class environment is allowing me to feel comfortable about participating.						
There has been sufficient interaction between the students and the lecturer during class.						
Throughout the session I have felt motivated to learn more.						
So far, I am satisfied with the course materials provided eg notes, textbooks.						

We invite you to answer the following (please continue on the back of this page if necessary):

What have been the good things about today?

What do you think could have been done better?

What suggestions do you have for next week or future days?

Do you have any other comments about today?

Thank you for providing us with this feedback; we value your input.
